

Type	Quantity	Description	Where to mount
M2x3 or M2x4	48	Hex key, provided with Dynamixel motor set, M2x4 if using servo mounting parts made with 2mm horns, instead 1,5mm	Servo mounting (40009491, 40009492) with Dynamixel servos horns.
M2x6	4	Hex key	Eye support coupling (40009502) with rye rotation servo coupling (40009521) with eye .
M2x8	6	Hex key	Maxon motors (40009520) with eye protrusion motor mounting (40009496).
M2x10	4	Hex key	RC servos (40009519) with eye rotation servo mounting (40009499).
M2.5x4	24	Hex key, provided with Dynamixel motor set	Neck supports (40009490, 40009489) with Dynamixel servos horns.
M2.5x5	5	Hex or cross	Middle disc plate (40009495) with middle casing (40009476).
M2.5x8	30	Hex key, provided with Dynamixel motor set	Dynamixel servos with: neck supports (40009490, 40009489), neck pitch servo mountings (40009508), neck mounting (40009486), bottom disc servo mounting (40009504), top disc servo mounting (40009509).
M2.5x8	12	Hex key	Neck supports (40009490, 40009489) with neck coupling (40009506) and neck crossbar (40009507).
M3x6	2	Hex or cross	Camera mounting (40009493) with middle disc plate (40009495).
M3x6	4	Plastic made	Controler board with middle disc plate (40009495).
M3x9	11	Hex or cross	Bottom disc plate(40009505) with bottom casing (40009477), top disc plate (40009510) with top casing (40009475).
M3x9	4	Hex or cross	Middle disc plate (40009495) with middle disc coupling (40009487).
M3x9	2	Hex or cross	Bottom disc servo mounting (40009504) with bottom disc coupling plate (40009503) and support tube lock (40009498).
M4x6	4	Hex or cross	IGUS eye protrusion guide (40009511) with middle disc plate (40009495).
M4x8	8	Hex or cross	Servo mounting (40009491) with bottom disc plate (40009505) and top disc plate (40009510).
M4x8	4	Hex key only	Eye protrusion motor mounting (40009496) with middle disc plate (40009495).
M4x12	4	Hex or cross	Servo mounting (40009492) wit bottom disc servo mounting (40009504) and bottom disc coupling plate (40009503).
M4x12	1	Hex or cross	Top disc servo mounting (40009509) with support tube (40009497).
M4x24	1	Hex key	Two middle disc couplings (40009487) together.
M5x10	8	Hex key	Neck pitch servo mounting (40009508) with mounting bracket (40009488).
M6x10	2	Plastic made cross	Middle disc plate (40009495) with spacer sleeve under eye support bearing(40009494)
